# Defining Attitude

- **Attitude** is generally defined as a disposition, feeling, position with regard to a person or thing;
- A tendency or orientation of the mind.

- **Attitude is a little thing that makes a big difference**

**Winston Churchill**

# There is nothing as powerful as attitude.

- Attitude dictates your response to the present
- determines the quality of your future.
- You are your attitude, and your attitude is you.
- If you do not control your attitude, it will control you.

Myles Munroe

# **Attitude creates your world and designs your destiny.**

- Attitude is a more powerful distinction in life than beauty, power, title, or social status. It is more important than wealth and it can keep one poor. It is the servant that can open the doors of life or close the gates of possibility.
